Belleplates are designed for:

- Education
- Orchestras
- Ensembles
- Activity Groups
- Handbell Teams

- Belleplates are lightweight, easy to use, durable and have a bell like sound.
- Belleplates are a practical solution for a wide range of players of different ages and musical abilities.
- Belleplates are an affordable start for new players or as an extension to existing bell ringing teams.
- Belleplates require no individual tuning or even an understanding of musical scales or notation.
